

BYO BEVERAGES

Drinks. Your way.

BYO is best suited to couples comfortable managing quantities, preferences and logistics.

WHAT'S INCLUDED IN EVERY ADAMS PEAK WEDDING (BYO)

- Bar setup and pack down
- RSA-certified bar staff
- Service from canapé hour until 30 minutes prior to reception end
- Standard glassware, including wine glasses, champagne flutes, tumblers, highball glasses and schooners
- Ice for bar service
- Soft drinks for general consumption

WHEN DRINKS ARE SERVED

- Pre-ceremony beverage service is available for a minimum of 1 hour and concludes approximately 15 minutes prior to the ceremony start time.
- Cocktail and canapé service begins after the ceremony.

BYO BEVERAGE SERVICE INCLUDES

- Service of your supplied beverages
- Cool room hire at additional charge of \$300 (required)
- Pre-batched BYO cocktails (see below)
- BYO spirits served with mixers
- Spirits bar available for guest purchase or via pre-approved tab

BYO COCKTAILS (PRE-BATCHED)

- \$100 per flavour
- Maximum 3 flavours
- Cocktails must be pre-batched by AP staff
- Served from glass dispensers only
- Maximum ABV: 15%
- Couples must supply all ingredients and garnishes that are required
- Clear written recipe instructions must be provided
- AP / HBP do NOT make, adjust or individually mix cocktails on the day
- Polycarbonate cocktail glassware included

FROZEN COCKTAILS / SLUSHIES

- Frozen cocktail machines cannot be relocated once filled
- Frozen cocktails may be served at one service location only

SPIRITS & MIXERS (BYO)

- BYO spirits must be served with mixers
- Mixers may be supplied by the couple or purchased through Adams Peak
- All mixers must be approved in advance
- No shots or doubles are permitted

GLASSWARE

- Standard glassware is provided by AP
- Polycarbonate glassware may be hired where not included in an Optional Extra
- External glassware will incur an additional cleaning fee (*e.g. where handwashing is required*)

QUANTITIES & RUNNING OUT

BYO couples are responsible for all quantities supplied.

If drinks run out:

- Backup HBP stock may be offered at a higher per-drink rate
- Availability is not guaranteed
